CONNEMARA ~ BEST OF THE WEST

Self-Guided Tour 2024

202/235/260km | 8 days/7 nights

This tour continues to take in the best of our existing Connemara route but to add to this the fantastic Great Western Greenways Cycle. At 42km, this is by far, the longest dedicated cycling route in the country. The route connects the picture perfect town of Westport to the stunning Achill Island utilising the old railway line. The cycle provides great views of Clew bay and the surrounding mountains in a traffic free environment. Since it was opened this route has proved very popular with cyclists and walkers alike and won several awards.

As with our other Connemara tour we will start and finish in Galway, one of Ireland's most lively cities. The route will take in the Partry Mountains en route to a nights stop in the village of Leenaun as well as the un-missable cycle through the Delphi Valley. Our rest day is in the beautiful town of Westport. At the end of the week we visit the wonderful Achill Island with its magnificent beaches and labyrinth of quiet roads. The tour finishes up in the "Museum of Country Life" in Castlebar.

This tour does not involve any major climbs and it is a good option for those looking to take it a bit easier.

TOUR ITINERARY

DAY 1 GALWAY CITY

When you arrive in Galway make your way to your accommodation anytime after 2.00pm.

You can then explore this bustling medieval city. We will send you on full accommodation details and the necessary contact details for your tour closer to your departure date.

DAY 2 GALWAY/ CONG TO LEENANE (35kms)

In the morning a local taxi operator will also meet you at the guesthouse at 9.30 am and then transfer you to Cong where the tour proper starts and you get on your bikes!

You head north along quiet back roads through rolling green fields full of grazing sheep. You cycle along beautiful backroads via Lough Nafuoey, en route to our overnight accommodation, the small village of Leenane looking out over Killary Harbour, Ireland's only fjord.

There is an option in the afternoon of cycling to the beautiful Kylemore Abbey or else relaxing in the spa in our hotel!

DAY 3 LEENANE TO WESTPORT (52 kms)

In the morning you head north through one of the highlights of the tour, the stunning Delphi Valley with its beautiful lakes overlooked by Ben Bury the highest mountain in Connemara.

Your lunch stop is the charming village of Louisburgh before we continue on our journey between Croagh Patrick and the beautiful Clew Bay with its many small islands to the town of Westport where you are staying two nights

DAY 4 REST DAY IN WESTPORT

The town is beautifully located at the top of Clew Bay, it is one of the few towns in Ireland that was formally planned and it has a great beauty and charm about it. You can spend the day relaxing in the town, visiting Westport House www.westporthouse.ie, or there is golf and horse-riding available nearby. For something a bit different you could visit Clare Island (you would need to take a taxi for 14 miles to Roonagh Quay. In the summer, there are numerous ferry sailings from Roonagh to Clare Island during the day. The boat crossing takes about 20 minutes

DAY 5 WESTPORT TO ACHILL ISLAND - Greenway Cycle (54kms)

Another highlight to the trip is today's cycle.

The day is spent on the "Greenway Cycle", a route that offers gentle gradients and some of the most idyllic scenery in the west of Ireland. The cycle forms part of the National Cycle Network and it is the longest dedicated cycling path in the Country!

The route brings you all the way to Achill Sound, the gateway to Achill Island (via a bridge) where we are spending the night.

DAY 6 ACHILL ISLAND ROUND TRIP

(14km, 47km, 72kms - different options!)

You spend your day exploring Achill Island where there are so many options for cycling.

There several dramatic cycling routes around Achill, the most impressive being the Atlantic Drive, with its wonderful coastal views and beautiful landscape. You can also head to Keem bay for a swim on its white sandy beach.

For those feeling energetic you could climb to the top of the nearby cliffs some of the highest in Europe, where you are rewarded with the most breathtaking views of the week.

DAY 7 ACHILL ISLAND via "MUSEUM OF COUNTRY LIFE" IN CASTLEBAR - GALWAY

47kms

The first 17km of our day we head back on the Greenway cycle (there is only one way realistically in and out, which is lucky it is so lovely!), before you make a detour to Lough Beltra in the heart of Mayo.

The final part of our tour will take you to the Museum of Country life of Castlebar where there is nice coffee shop and where you can visit the museum (www.museum.ie/en/list/overview-tp.aspx). A taxi will meet you here mid-afternoon and bring us back to Galway city for a final night on the trip

Weather

Because we are an island located near the gulf stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay.

All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.
