Wilderness Skiing Advisory

Ski Callaghan includes vast expanses of hazardous backcountry terrain. If you leave the groomed cross country ski trails, you are entering a backcountry wilderness area which is uncontrolled, unmarked, not inspected, not patrolled and involves many risks, dangers and hazards including avalanche. Be prepared for any and all eventualities including: avalanche danger, terrain hazards, changes in weather and/or snow conditions, nightfall and the possibility of a

Ski Callaghan is extremely large and while ski patrol is an integral part of our service, visitors are advised that trails are not always travelled frequently.

To facilitate prompt emergency care in the event of a mishap, visitors are advised to carry a fully charged cell phone and be aware that there may be areas of poor reception and/or transmission.

Never Ski Alone!

Ski Callaghan is not responsible for the safety of any persons using the backcountry wilderness areas. If you are planning to travel in the Backcountry,

- · Ensuring you have the knowledge, navigational aids (map, compass),
- appropriate gear, knowledge, skills and training to complete the trip • Leaving a trip plan with a reliable person regarding your proposed route and
- Carrying and knowing how to use an avalanche rescue beacon, a shovel, a probe or probe ski poles.
- Checking the weather and avalanche danger. Canadian Avalanche Centre. Phone: 1-800-667-1105 Bulletin: http://www.avalanche.ca/cac/bulletins/latest

Trail Ratings

All trails are classified according to their relative difficulty compared to each other within Ski Callaghan. While gradient and direction of travel are big factors, consideration to trail width and average snow conditions are taken into account. Skiers are reminded that this is mountainous terrain and was once an Olympic competition venue. Difficulty ratings may differ from

Double Green Circle - Easiest

Suitable for first-time skiers, young families and parents pulling chariots.

Green Circle - Easy Expect gradual hills and long run outs. Basic climbing and descending skills required

Blue Square - Intermediate Expect moderate grades with corners. Competent

climbing, descending and cornering skills required. Black Diamond - Advanced

Expect significant elevation changes and corners. Precise maneuvering on hills with tight and high speed cornering skills required. Physically demanding.

Brown Triangle - Wilderness / Backcountry Route

Expect no grooming whatsoever. Wilderness ski touring skills including travel, navigational, terrain, weather and avalanche assessment knowledge required. No Ski Patrol. Persons are responsible for any cost of rescue service.

Alexander Falls Ski Touring Centre

Start your day adventure from the first entrance to Ski Callaghan. Enjoy a quick coffee and baking at Jump Start Café and our cozy warming hut before jumping on the Callaghan Lake shuttle or starting your ski pilgrimage to Journeyman Lodge. Access Callaghan, our unique ski shop offers all manner of snow travel tools for either rent or purchase.

Check-in for snow shuttles, Journeyman Lodge, and our lunch in the alpine can all be made at Guest Services.

Overnight Parking

Overnight parking for Journeyman Lodge guests is available only in a designated area near Alexander Falls Ski Touring Centre. Check-in is mandatory. Unregistered cars remaining in Ski Callaghan parking lots past 4:30 pm will be cause for a possible RCMP missing person notification. All staff costs incurred in resolving the overdue issue shall be charged to the offender prior to release of the vehicle.

Persons not registered at Journeyman Lodge and planning on remaining in the backcountry past 4:30 pm are advised to park at the Alexander Falls Recreation site, south of the admission booths.
