The ROF category consists of a variety of models which were added to the fleet in 2022 as a result of the fleet shortage. The category is made up of various brands and models within a certain range of specifications as specified in the program.

Important: Customers will not know until the day of departure which model within the ROF category they will receive. Customers who wish to receive one specific floorplan, must book one of the main categories rather than the ROF category.
