

Van

Great for city breaks and holidays for couples.

The compact Van motorhome category is a true eye-catcher with its dynamic exterior design. These compact van-style motorhome models are perfectly suited for urban streets or cruising down narrow serpentine roads in the mountains. Its state-of-the-art, timeless exterior design is a guaranteed head turner also at camping sites.

Although the exterior measurements are small, the Van includes the same wonderful facilities as our bigger models: state-of-the-art bathroom and fully equipped cooking facilities

Medium

Enjoyable luxury holidays for up to four people

This rental motorhome category is probably the most versatile one. It offers you a five-star homebase that you can easily take to the most remote locations. It's the perfect rental motorhome to explore the shores of the Arctic Ocean, as well to cruise through the white-washed villages in Southern Spain. This category accommodates up to 4 people and provides excellent storage facilities.

Medium category rental motorhomes are all beautiful semi-integrated models. Owing to its size, this category suits both urban streets and rural scenic routes.

Family

Great option for a memorable family vacation

Family category rental campers have been designed to accommodate a family of up to 6 people. This category is designed specifically with kids in mind: children just love the bunk bed at the back of the motorhome, while adults can enjoy the lavish double bed in the alcove of the vehicle. Even more additional sleeping space can be easily arranged from the seating area, which can be converted to a double bed in a minute. Traveling in a Family category rental motorhome is fun. The kids can play at the seating area whilst safely fastened with the three-point seat belts, and enjoying the obligatory snacks passed from the front seats. Please, note that Norway also has the Luxury option in Family size motorhome.

Large

The best option for groups of up to six with a lot of luggage

Our Large category rental motorhomes offer the biggest possible storage space and room for all of your belongings. When choosing this category, you don't need to leave anything behind. Motorhomes in this category feature three double beds: one in the alcove at the front of the vehicle, one can be transformed from the seating area at the middle of the rental motorhome, and one at the rear of the motorhome.

This well-designed motorhome category allows you to make yourself comfortable, or invite friends for a fun day of cruising anywhere in Europe.
