MS MIDNATSOL

Our "Discovery Ship", MS Midnatsol (Midnight Sun) combines a strong environmental profile with a sleek, modern design and great features. For example, Deck 9 on this vessel sports a sun deck and Jacuzzi. A large, two-story panorama lounge creates a perfect place to relax, with large expanses of glass providing fantastic views of the unmatched scenery. MS Midnatsol is an ice class 1C ship, equipped with the latest technology, making her very well suited for Antarctic expeditions. She is the perfect vessel for those interested in the natural world, with a chance to take advantage of our Explorer deck, Science centre, and Photo centre. The Explorer deck also serves as our staging area for the many on shore excursions we offer.
